

**CLDDV 130 - Spring 2009
Instructor: Lisa Schut**

**Outside assignment: No Class 3/10/09
Due next class meeting, 3/17/09**

Minimum two page assignment, using knowledge gained from the MJC Librarian presentation on 3/3/09, regarding how to find journals and resources online.

Choose a topic of interest related to working with young children, their families or co-workers. Examples: how to deal with biting in the classroom, children of divorce, getting along with your co-workers.

Find a journal article or other resource (eg: children's book) that you would use to help you address your issue above. Attach this cover sheet to a copy of your article and write about why you chose this resource and how you would use it at your work or volunteer site. Include what your desired outcome would be from the use of this resource.
